

MAYOR-ELECT SMITH
PICKING OFFICIALS

About Ready to Announce the
Names of Men Who Will
Comprise His "Family"—
Roth for Next Police Chief.

ELKHART, Ind., Dec. 17.—According to one of the "councillors" high in the ranks of the progressive city organization, Mayor-elect Smith's appointees are about complete. According to the informant, who said that he and other organization leaders had "briefly talked it over," Mr. Smith was uncertain in "only one or two instances."

Forrest E. Hughes will be the next city attorney according to the party "councillor." When asked if it were not true that Mr. Hall had been seriously considered for the place he replied: "Oh yes, but Mr. Hall, we understand, is going after the nomination for congressman and has emphatically told us that he was not a candidate for any office at present."

For city controller F. A. Reed and W. H. Anderson are the most seriously "considered." The "prophet" stated that he understood that Mr. Reed

would not take the job unless the present salary was raised. William H. Roth is said to be the next police chief and in all probability Frank Newman will be chosen to succeed Jack Ulrich as chief of the fire department. Mr. Newman is the present captain at the central station. For board of public works commissioner B. Frank Bressler is stated, Mr. Bressler is a Truth reporter. Dr. A. A. Norris is to succeed Dr. Hoopingarner as secretary of the board of health. He declared that it was true that Dr. A. J. Baumgartner had been offered the place but declined and was now "heart and soul for Dr. Norris."

The H. P. C. declared that D. A. Fleming was to retain his berth as police commissioner at the request of George W. Fleming, his son, who is one of the leaders of the city organization.

ELECTION OF COUNTY
CHAIRMAN NOT LEGAL

INDIANAPOLIS, Dec. 17.—The democratic state committee late Tuesday afternoon declared the election of R. M. Isherwood as chairman of the democratic committee of Tippecanoe county illegal and instructed David Boyle, secretary to issue a call for a primary election to be held Dec. 26. At that time delegates to the district convention at Hammond will be chosen.

The question of the future election of precinct committeemen was left to Secy. Boyle, who later will call a meeting at which those officers will be named and the precinct committeemen then will select a county chairman.

NOTHING LIKE THEM BEFORE

A very few ladies who obtained an Imperial Pattern Outfit from The News-Times for 68 cents and six coupons neglected to read the instructions how to transfer the designs to a fabric and endeavored to produce them by the old hot iron method. This they should not have done, as the Imperial patterns are to be laid on the fabric, brushed over with cold water, then after a sheet of dry

paper is laid over the whole the surface should be rubbed firmly with the bowl of a spoon, and a perfect impression is the result. We know some ladies who have taken as many as five clear impressions from one pattern. In sending for the Imperial Pattern Outfit of 180 designs add 7 cents by mail for postage.
